**Duration:** 40 minutes per batch (Approx. 30 participants per batch)

**Target Audience:** School Students visiting Prigyan (Classes 8–12)

**Expected Footfall:** Approx. 30 participants per session

### **Aim of the Event**

- To introduce students to basic culinary arts through a fun activity
- To encourage creativity, presentation skills, and confidence
- To provide a hands-on experience rather than only observation
- To showcase the Food Club's interactive and engaging approach

### **What Our Event Will Do**

Each participant will be provided with:

- One plain cupcake
- Whipping cream
- Piping bags and nozzles
- Basic edible decorations

A chef / trained Food Club member will:

- Demonstrate how to whip cream properly
- Explain basic piping and decoration techniques

Participants will:

- Decorate their own cupcake
- Learn presentation basics
- Consume their decorated cupcake after the activity

### **Skills Students Will Learn**

- Creativity and artistic presentation
- Basic culinary and food-handling skills
- Time management
- Confidence in hands-on activities

### **Competition & Rewards**

Each session will be conducted in a competition format.

Top 3 winners will be selected in every session based on:

- Creativity
- Neatness
- Overall presentation

### **Rewards**

Top 3 winners will be awarded chocolates / goodies.

Total reward value: worth ₹200 (approx.)

### **Execution Plan**

- Two classrooms will operate simultaneously
- 30 participants per session
- 40-minute duration per batch
- One chef/trainer and Food Club volunteers in each classroom

Volunteers will:

- Distribute materials
- Guide participants during the activity
- Ensure smooth flow and discipline
