

Painting Event Proposal

Aim:

- To introduce students to a competitive and time-bound painting event.
- To encourage creativity, imagination, and artistic expression among participants.
- To provide a platform for students to showcase their painting skills.
- To identify and reward talented students based on creativity and execution.

About the Painting Event:

- Students will be invited to participate in an on-the-spot painting competition.
- Each participant will be required to complete their painting within a fixed time limit.
- A theme will be provided on the spot to ensure originality and fairness.
- Paintings will be evaluated by the Head of the Event based on creativity, theme relevance, and technique.

Execution Plan:

- Registration of participants will be done at the stall.
- Basic painting materials such as paper or canvas will be provided.
- Participants may bring their own painting materials if they wish.
- A fixed time (e.g., 45–60 minutes) will be given to complete the painting.
- The artworks will be evaluated by the Head or Co-Head of the Event after completion.

Winner Selection:

- Paintings will be judged on creativity, originality, and presentation.
- Top-performing students will be declared winners.
- Winners will be awarded certificates and/or prizes.
- Selected artworks may be displayed at the stall.
